It was really a great experience at Kendrika Academy. I never thought that i could qualify NET with Management subject before taking admission at Kendrika. But the faculty members motivated me a lot, boosted my confidence and guided me nicely to crack NET. I sincerely thanks everyone at Kendrika Academy. I also thanks my friend Kalpana who suggested me to take admission in this academy.

Now It is proved that my decision to join Kendrika Academy was not wrong. I was trained to Crack not only NET exam but also JRF in my First Attempt. All credit goes to Faculty and Staff at Kendrika Academy. The Faculties are very well experienced and supportive. 24*7 Whatsapp Group really supported me a lot to practice more and more questions. I am highly satisfied with this rigorous training and would recommend Only Kendrika for CSIR/NET preparation .

I sincerely thanks to everyone at Kendrika Academy. I was trying to crack this exam since long time but could not get it but after attending classes at Kendrika I developed a lot of confidence and cracked this exam. One very strong point of Kendrika is their extremely Good Faculty Members. I think this is the only institute where faculty takes it as a challenge.
